1. Identification of the substance/preparation and of the company/undertaking

Identification of the substance or preparation

Bio Power Line - Wheelrim- and Paintwork Cleaner -

Use of the substance/preparation

Cleaning and care agent

Company/undertaking identification

Company name :	PRO-TEC Deutschland	
Street :	Großgeschwenda 51	
Place :	D-07330 Probstzella	
Telephone :	+4936735/444-0	Telefax : +4936735/444-44
Contact person :	Jens Möller, Dipl.-Chem.	
e-mail :	info@pro-tec-deutschland.com	
Internet :	www.pro-tec-deutschland.de	

Further Information

Article Number: 2211

2. Hazards identification

Classification

This preparation is not classified as dangerous according to Directive 1999/45/EC.
No risks worthy of mention. Please observe the information on the safety data sheet at all times.

3. Composition/information on ingredients

Chemical characterization (Mixture)
tensides biologically degradable.
care agent
Fragrances

4. First aid measures

General information

Change contaminated clothing.

After contact with eyes

If product gets into the eye, keep eyelid open and rinse immediately with large quantities of water, for at least 5 minutes. Subsequently consult an ophthalmologist.

After ingestion

Rinse mouth immediately and drink large quantities of water.

5. Fire-fighting measures

Suitable extinguishing media

Material is not combustible.
Extinguishing materials should be selected according to the surrounding area.

Special protective equipment for fire-fighters

In case of fire: Wear self-contained breathing apparatus.

Additional information

Waste disposal according to official state regulations.

6. Accidental release measures

Bio Power Line - Wheelrim- and Paintwork Cleaner -

Print date: 19.01.2010

Product code: 815

Page 2 of 4

Methods for cleaning up/taking up

Collect mechanically.

7. Handling and storage

Handling

Further information on handling

Avoid contact with eyes.

Storage

Further information on storage conditions

Protect against: frost

8. Exposure controls/personal protection

Exposure limit values

Additional advice on limit values

To date, no national limit values exist.

Exposure controls

Protective and hygiene measures

Keep away from food, drink and animal feeding stuffs.

Take off immediately all contaminated clothing

When using do not eat, drink or smoke.

Respiratory protection

Respiratory protection: not required.

Hand protection

Use gloves.

Eye protection

Wear eye/face protection.

9. Physical and chemical properties

General information

Physical state : liquid
Colour : colourless
Odour : mild

Important health, safety and environmental information

pH-Value (at 20 °C) :

9 - 10

Test method

Changes in the physical state

Explosive properties

not Explosive.

Density (at 20 °C) :

1,0 g/cm³

Water solubility :

easily soluble.

(at 20 °C)

10. Stability and reactivity

Conditions to avoid

No decomposition when used as intended.

No decomposition by proper handling and storage.

Bio Power Line - Wheelrim- and Paintwork Cleaner -

Print date: 19.01.2010

Product code: 815

Page 3 of 4

Materials to avoid

strong acids
Strong oxidizing agents.

Hazardous decomposition products

Hazardous decomposition products: none

11. Toxicological information

Corrosive and irritant effects

Dermal irritation: none
Irritation of eyes: Irritant effect possible.

12. Ecological information

Ecotoxicity

aquaticity. No data available.
Do not empty into drains or the aquatic environment.

Persistence and degradability

Product is biodegradable.

13. Disposal considerations

Contaminated packaging

Waste disposal according to official state regulations.
Arrange about the exact waste code with the local waste disposal expert.

14. Transport information

Land transport (ADR/RID)

Other applicable information (land transport)

Not a hazardous material with respect to these transportation regulations.

Inland waterways transport

Other applicable information (inland waterways transport)

Not a hazardous material with respect to these transportation regulations.

Marine transport

Other applicable information (marine transport)

Not a hazardous material with respect to these transportation regulations.

Air transport

Other applicable information (air transport)

Not a hazardous material with respect to these transportation regulations.

15. Regulatory information

Labelling

Additional advice on labelling

Contains:
< 5 % anionic tensides

EU regulatory information

Additional information

There is no requirement for the product to be specially labelled according to EC directives or the corresponding national laws.

National regulatory information

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

Bio Power Line - Wheelrim- and Paintwork Cleaner -

Print date: 19.01.2010

Product code: 815

Page 4 of 4

Water contaminating class (D) : 1 - slightly water contaminating

16. Other information

Further Information

The information is based on present level of our knowledge. It does not, however, give assurances of product properties and establishes no contract legal rights.

The receiver of our product is singularly responsible for adhering to existing laws and regulations.

(The data for the hazardous ingredients were taken respectively from the last version of the sub-contractor's safety data sheet.)
